About CVTA

The Clinch Valley Trail Alliance is a chapter of SORBA (Southern Off-Road Bicycle Association). We are a member based 501(c)(3) non-profit organization dedicated to promoting sustainable multi-use trails and committed to complement the goals and purpose of SORBA.

CVTA maintains trails at Haw Ridge Park, North Boundary Trails and Norris Dam State Park. Volunteers log over 1,000 hours annually maintaining over 55 miles of trails at the three parks. In addition, CVTA offers events and races for cyclists, runners and hikers.

Vision And Mission

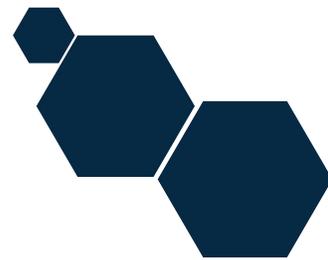

Vision

- Through active stewardship, advocacy and partnerships, the Clinch Valley Trail Alliance seeks to improve the health, environment and economy of our region by the development and preservation of sustainable, multi-use trails within the City of Oak Ridge and the greater Roane and Anderson County regions of East Tennessee.

Mission

- The Clinch Valley Trail Alliance (CVTA) is committed to the promotion of healthy outdoor fun for all ages and skill levels through the creation, enhancement, preservation and stewardship of multi-use trails in the Clinch Valley region. We strive for member diversity from bikers, to hikers, to trail runners, conservationists, and the like.
